

ELCA DISASTER RESPONSE

**HAITI EARTHQUAKE
RELIEF**

On Tuesday, January 13, a magnitude 7.0 earthquake rocked the island country of Haiti, primarily impacting the capital, Port-au-Prince. Offices, hotels, houses and shops have collapsed. The presidential palace is in ruins and many churches have been destroyed. Hospitals are overflowing and the search for survivors is intense. The streets of Haiti are filled with people in shock and searching for loved ones among the rubble.

Your help is needed today to bring immediate relief and continued hope for our brothers and sisters in Haiti.

About 3 million lives, one-third of Haiti's population, are affected by this earthquake. Already one of the poorest countries in the world (70 percent of Haiti's population lives in extreme poverty), this catastrophe will exacerbate the suffering felt by many already living with hunger and poverty. ELCA Disaster Response is already working through long-standing partnerships on the ground to provide emergency food, water, shelter and medical supplies. Financial gifts are urgently needed.

Your gifts to ELCA International Disaster Response, designated for Haiti Earthquake Relief, will be used entirely—100 percent—for immediate relief and ongoing recovery in Haiti.

Your prayers and generous gifts will make a life-saving difference. Please give today.

Dear brothers and sisters in Christ:

The first chaotic reports and images now are coming out of Haiti, documenting the devastation caused by yesterday's massive earthquake. Haitian officials estimate that more than a hundred thousand people may have died and that the quake destroyed major parts of the capital, Port-au-Prince.

The Evangelical Lutheran Church in America already is responding through the Lutheran World Federation's Haiti Program. Given the devastation caused by this earthquake, the ELCA has committed an initial \$250,000 from ELCA International Disaster Response for Haiti and has authorized an additional \$500,000 as congregations respond both to the immediate needs and long-term rebuilding efforts.

We give thanks to God that LWF staff escaped injury from the earthquake. We also give thanks that we have trusted and effective partners on the ground in Haiti who already are at work helping earthquake survivors. The ELCA is the largest regular supporter of the LWF's program in Haiti, which helps communities escape the deep poverty in which so many Haitians live. Since staff is already in place, no precious time will be lost in shaping an effective response. The work of providing food and shelter and in helping people to rebuild their lives is under way.

We give thanks also for our partners in this work. The LWF staff in Haiti also was tapped to coordinate the responses of Protestant and Orthodox churches throughout the world through Action by Churches Together (ACT). In addition, the ELCA, in coordination with the Florida-Bahamas Synod, will be working to provide disaster support to and possibly through the emerging Lutheran church in Haiti.

More details of the ELCA's response and a disaster insert for congregational use are posted on www.elca.org/disaster as communication channels are restored. Please share with members and friends both the urgent need in one of the United States' closest neighbors and the effective means by which their church is responding. Please go to <http://www.elca.org/haitiearthquake> or call 800-638-3522 to [give](#) toward our response to the disaster in Haiti.
